## 1. Introduction by the Head Teacher

Welcome to Park View Primary School!

At Park View our staff are nurturing, conscientious, motivated and talented, and they provide a high standard of teaching and learning experiences for all children in order to help them achieve their full potential. We are given a great deal of support from our parents/carers and local community and Park View benefits greatly from these partnerships.

The building, which staff, parents and pupils helped to design, is a modern, bright and stimulating place in which to learn, work and play. Park View is situated adjacent to a park, which replicates a rural setting for the school, and we have extensive grounds for our children to play in.

The pupils at Park View are hardworking, polite and friendly. They are a credit to the school and their families. All of our children contribute to the success of the school and are valued individually and collectively. Our whole school ethos is underpinned by our school values & school rules: polite, ambitious, responsible and kind. This is the foundation from which we work and all staff and pupils are guided by these. Many people continue to comment on the positive ethos, which is evident in our school. Visitors are impressed by the supportive and productive atmosphere in the school and can see that relationships between staff and pupils are extremely positive.

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council's Plan Connect sets out the Council's vision which is, "to improve the lives and prospects for everyone in South Lanarkshire".

For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families, and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people. [This is available at Education Resources Plan 2025/26 Education and learning - South Lanarkshire Council](#)

Many people continue to comment on the positive ethos, which is evident in our school. Visitors are impressed by the calm, supportive and productive atmosphere in the school and can see that relationships between staff and pupils are extremely positive.

This handbook has been written to provide parents/carers with information about Park View Primary School and it will give an insight to our values and our school community.

## 2. About our school

Park View Primary School is a single-stream, non-denominational school offering education to boys and girls from Primary 1 to Primary 7. Our current roll is 183 pupils.

Our school is located in Halfway, Cambuslang and was opened in August 2013. Park View Primary is the 125<sup>th</sup> Primary School to be established in South Lanarkshire and it is part of the Stonelaw Learning Community.

### Absence Procedures

We appreciate parental support to ensure our pupils have a high attendance rate. Good attendance has a direct link to your child's success, progress, happiness and ability to thrive in school. If your child is unwell and cannot attend school, please contact **the school office** to inform us before 8.50 am, if possible. We have an absence line on the phone where you can leave a message. If we have not had any notification of why a pupil is absent, a staff member will call parents for an explanation by 9:30am. This is in the interests of health and safety of the children. Parents can also email in absences or use the Parent Portal App.

If your child is absent from school for an appointment, we would appreciate if they only miss the period of time they require to be at the appointment. We would prefer our pupils to be picked up from school and/or dropped off after any appointment to minimise the amount of time they miss from their lessons.

We respectfully ask that holidays are taken during the designated school breaks, as any other requests for a pupil to be absent from school must be put in writing to the Head Teacher.

The holiday dates for SLC schools can be found by accessing the South Lanarkshire website.  
[www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk)

We have absence monitoring procedures in place throughout the year to ensure our pupils maintain our high standards for attendance. All school in the Stonelaw Learning Community have shared procedures and letters to follow and use, to ensure consistency across the whole area of Cambuslang and Rutherglen. If we have any concerns regarding attendance, we will send out a letter to raise our concerns and see if there is anything we can do to support. We have council procedures to follow when attendance falls short of expectations.

### School visits

Should any parent or prospective parent wish to see round our school, please contact the school office and we can arrange a member of school management to give you a tour of our wonderful school.

### 3. School Ethos

At Park View Primary we aim to provide a happy, safe, nurturing and stimulating learning environment for your child. We are very proud of our school and the standard of education we provide. Our staff are dedicated and committed to providing the best for our pupils and central to this ethos is building positive relationships with all pupils.

Our four key values and rules are:

- Politeness
- Ambition
- Responsibility
- Kindness

These values underpin everything that we do in school and help to create a positive ethos in which we can all work, learn and grow. Our school values, school motto co-create our curriculum rationale statement:

*“We create polite and responsible pupils and we challenge them to foster ambition so that they can reach their potential through our engaging and inclusive curriculum relevant to our pupils and their individual needs and skills. We care for, and support our whole school community, through our nurturing ethos which promotes kindness and inclusion.”*

We aim to help your child to develop as a learner and as a person who is confident and able to take their place in society, developing skills for learning, skills for life and skills for work. To this end, we try to provide a wide range of curricular events such as Health Week, Book Week, Enterprise Day and STEM Week to further develop a wealth of life skills. We pride ourselves on providing a wide range of extra-curricular activities and outdoor experiences for all our pupils to promote and celebrate wider achievements.

**Encouraging School Attendance**

We believe that regular school attendance is key to raising attainment and achievement. It's a shared responsibility among parents/carers and the school to emphasise the importance of attending school. For your convenience, school holiday dates and in-service dates can be found on the council's website: [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk).

Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school. It is important for the school to work with parents/carers in encouraging children to attend school. All absences are required by law to be recorded. Absences will normally fall under two categories – authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked to:

**If your child is unable to attend school you are asked to let us know by 9.30am on the first day of absence.**

**If you know they have a hospital/dental appointment, please let us know in advance.**

Requests for your child to be absent from school to make an extended visit to relatives either in the UK or overseas must be made in writing to the head teacher, detailing the reason, destination and duration of absence and arrangements for their continuing education. On these occasions the pupil will be marked as an unauthorised absence.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register. (See section 7).

**Family Holidays During Term Time**

Family holidays taken during school term time will be recorded as unauthorised absences in line with Scottish Government and South Lanarkshire Council policy. The school is not required to provide work during this period, and parents are asked to avoid arranging holidays that disrupt their child's learning.

**Emergency Information**

We strive to keep the school open during term-time. However, there may be instances such as severe weather or power failures that could affect the school day. In such cases, we will inform you as soon as possible through text messages and our social media channels.

**Severe Weather Protocol**

In the event of severe weather like snow or heavy frost, if the school cannot open at the usual time, we will delay the start until 10 am. Notifications will be posted on social media and the council's website.

**Communication**

The Council's website, [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk), will provide updates on school closures or delays including further information about the next school day.

**Things we need you to do:**

- It is important for parents/carers to let the school know of any change to your mobile/home phone number and change of address.
- If for any reason, you are unsure if the school is open visit the website at [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk) or email: [education@southlanarkshire.gov.uk](mailto:education@southlanarkshire.gov.uk)

## **6. Parental Involvement and Parent Councils**

Parents and carers play a vital role in their child's learning. Research shows that when families are involved, children do better at school and beyond. South Lanarkshire Council values parents as partners and works closely with schools to make this happen.

### **Why Parental Involvement Matters**

- Strong partnerships help schools understand children's needs and help parents feel informed and supported.
- Parents can reinforce learning at home, making schoolwork more meaningful and connected to everyday life
- Parental involvement can help children develop a love of learning and resilience when facing challenges
- When parents work with school and take an interest in learning, children often achieve more academically and feel more confident.

### **Our Commitment**

We want parents and carers to:

- Feel welcome and involved in school life.
- Be well informed about their child's learning.
- Have opportunities to support learning at home.
- Share views and take part in discussions about education.

### **Parent Forum and Parent Council**

- Every parent with a child at school is part of the Parent Forum.
- Each school has a Parent Council, a formal group that represents parents' views and works with the school to improve learning and experiences.

### **Connect – Supporting Parent Councils**

All Parent Councils in South Lanarkshire are members of Connect, Scotland's national organisation for parent groups. Connect offers:

- Free training and advice for Parent Councils.
- Resources and guides to help parents support learning.
- Insurance cover for Parent Council activities. Find out more at <https://www.connect.scot>.

### **Other Helpful Resources**

### **Getting Involved**

Interested in joining the Parent Council or helping in school? Contact your school office or visit the Council website for details.

## **7. The Curriculum**

Curriculum for Excellence is the name given to the curriculum in Scotland for all children and young people aged 3-18. It is forward looking, coherent, flexible and an enriched curriculum that provides young people with opportunities to engage with the knowledge, skills and attributes they will need to flourish in life, learning and work.

The curriculum places learners at the heart of education and at its centre are four fundamental capacities - successful learners, confident individuals, responsible citizens, and effective contributors. It includes all of the experiences that are planned for children and young people to

support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery, and school.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enrich the curriculum, to provide the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curricular areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies

If you want to know more about Curriculum for Excellence, please visit [Scotland's Curriculum for Excellence \(scotlandscurriculum.scot\)](http://scotlandscurriculum.scot)

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

<b>Level</b>	<b>Stage</b>
Early	The pre-school years and Primary 1 or later for some.
First	To the end of Primary 4, but earlier or later for some.
Second	To the end of Primary 7, but earlier or later for some.

*Schools may wish to describe the specifics pertaining to their own establishment. You may also wish to add some pictures and stories of CfE in action.*

#### **Spiritual, social, moral, and cultural values (religious observance)**

*A statement of the school policy in relation to the development of pupils' spiritual, moral, social, and cultural values. This statement should be based on the national guidance issued by the Scottish Government on 21 February 2011 and the Education (Scotland) Act 1980. The statement must include reference to the parental right of withdrawal and how it may be exercised.*

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register.

## **8. Assessment and tracking progress**

Assessment is carried out on a daily basis in class. Pupils are encouraged to assess their own work (self-assessment); the work of their classmates (peer assessment); and to discuss their work with the teachers (teacher assessment).

Staff use a range of formative assessment strategies to ascertain the level of the children's progress, skill and understanding. More information is available on the Education Scotland website at: <http://www.educationscotland.gov.uk/learningteachingandassessment/assessment>

In addition, teachers will do more formal, summative assessments in all curricular areas, and particularly in spelling, reading, writing and maths. All assessment data will be used to support and influence the planning of pupils' future learning activities and teachers' professional judgement of achieving a level. We keep track of all of these assessments on our tracking spreadsheet and have various Quality Assurance procedures in place to ensure all children are making progress at their own pace and that all relevant supports and challenge is in place for each individual child.

Pupils in Primary 1, Primary 4 and Primary 7 will complete Scottish National Standardised Assessments (SNSA) during the year. These contain a variety of Literacy and Numeracy tasks and are completed by children all across Scotland.

If the school has any concerns about a pupil's learning based on classroom observations or other assessments, this will be discussed during parents' meetings. Alternatively, we may contact parents out-with the designated reporting times to discuss any issues which arise. This will always be done in a sensitive manner and may lead to short term or longer-term interventions to ensure progress occurs at the pace which suits the individual child. We may also ask our Specialist Support Teachers who visit on a Wednesday afternoon to complete further assessments to identify specific barriers to learning.

## **9. Reporting**

Our 'learner reports' will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements, and areas for development so you know what encouragement and support you can give.

Reporting will be ongoing and comprise of a range of activities which can include children presenting their learning, newsletters, and ongoing oral discussions. We will provide parents with reports so that you can see what your child is doing and how they are progressing.

In addition, there will be parents' meetings which offer you the opportunity to discuss how your child's progressing and how you can contact the school if you wish further information.

The school will offer you an appointment time so that you can visit in person to discuss your child's education.

Our 'pupil reports' will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements and areas for development so you know what encouragement and support you can give.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

## **10. Enrolment and Transitions**

### **Enrolment – how to register your child for school.**

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

[www.southlanarkshire.gov.uk/info/200186/primary\\_school\\_information/392/enrolling\\_your\\_child\\_for\\_school](http://www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school)

If you have any difficulty in identifying your catchment school, please email [Edsuppserv.helpline@southlanarkshire.gov.uk](mailto:Edsuppserv.helpline@southlanarkshire.gov.uk)

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation.

Proof of where the child lives may also be needed.

If your child is due to start school in August 2026, you can enrol online from Monday 5 January 2026. Your catchment school will contact you between Monday 12 and Friday 16 January 2026 to confirm your enrolment.

If your child attends the nursery of your catchment school, please do not assume that they will automatically be transferred. You must register them as normal at the school that is in the catchment area for your home address

If parents want their child to go to another school, they must enrol in the first instance with their catchment school. An online placing request form should then be completed. This is available from the SLC website – [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk) or by contacting [edsuppserv.helpline@southlanarkshire.gov.uk](mailto:edsuppserv.helpline@southlanarkshire.gov.uk) or phone **0303 123 1023**.

#### **Change of School/Placing Request**

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school, then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move outwith your catchment primary school a 'request to remain form' must be completed. If you move outwith your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please contact Education Support Services on [edsuppserv.helpline@southlanarkshire.gov.uk](mailto:edsuppserv.helpline@southlanarkshire.gov.uk) or **0303 123 1023**.

#### **Transition from primary to secondary school**

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time on events designed to support P7 children before they move on to secondary school.

## **11. Support for Pupils**

**Getting it right for every child.**

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe, and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family, and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. It is likely to be the Head Teacher in a primary school and a principal teacher (pupil support) in Secondary.

More information can be found on:  
[www.scotland.gov.uk/gettingitright](http://www.scotland.gov.uk/gettingitright)

### **Support for All (Additional Support Needs)**

At Park View PS we are proud of the support measures that we have in place for all children. We use the CIRCLE framework to ensure all of our classrooms meet the needs of individual learners, their learning styles and any social, emotional, sensory or environmental factors that may affect learning.

We use a staged intervention process to ensure we Get it Right For Every Child. We have various support measures and interventions such as % min Box, Literacy and Maths support groups, various spelling and reading interventions and a wealth of social and emotional interventions such as Lego Therapy, Wee Worries and nurture sessions. All of these support strategies are based on individual need and we have quality assurance procedures in place to ensure we have early identification of children so that prompt support is put in place.

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools, and local authorities to ensure children get the right support.

Enquire – the Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

## **Attachment Strategy for Education Resources**

### **Attachment – what we do to support children and young people**

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

#### **What does it set out to do?**

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the importance of attachment theory and its application and how positive relationships can make a difference to outcomes.

#### **How can I find out more?**

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this informs the ways in which we support children and young people.

These are available in schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

## **Promoting Positive Relationships and Understanding Distressed Behaviour (PPRUDB)**

PPRUDB is South Lanarkshire's framework for understanding and managing behaviour in schools. It emphasises that all behaviour is a form of communication, often indicating unmet needs, and stresses the importance of building positive relationships as a fundamental skill for teachers and a preventive approach to distressed behaviour. The guidance aligns with key Scottish Government policies and legislation and supports the development of safe, inclusive, and nurturing school environments.

Children and young people who feel safe, healthy, respected, and included are more likely to develop self-confidence and resilience. South Lanarkshire Council's attachment-informed, trauma-sensitive approach, aims to create a secure base and safe haven to reduce the impact of adverse childhood experiences. School staff recognise that distressed behaviour can stem from disrupted attachment, anxiety, and other complex needs, including neurodevelopmental conditions and limited communication skills.

When incidents of distressed behaviour arise in schools, staff will use a range of strategies to de-escalate situations and prevent re-occurrence. Strategies include structuring the environment with consistent routines and quiet areas, adapting communication to accommodate speech and sensory needs, and building positive relationships based on shared values. Setting clear limits with dignity, active listening, and inclusive teaching practices support behaviour management. Planning for

transitions and using support plans like Additional Support Plans (ASPs) and Behaviour Assessment and Support Plans (BASPs) assist in addressing individual needs.

Each educational establishment should use the PPRUDB framework to develop and implement a relationships and behaviour policy through consultation with staff, pupils, and parents, reviewing it every three years.

Further information is available from the Headteacher of the establishment your child attends.

## **12. School Improvement**

Each year every school reflects and evaluates on their progress and sets priorities and puts plans in place to achieve these objectives. We are working on a 3 year plan to overall use data to ensure we are raising attainment, develop our pupils emotional regulation strategies through our wellbeing curriculum and whole school approaches, and further develop and track pupil's skills and wider achievements within the curriculum and through extra curricular skills too. Details on last year's progress can be found on the school website.

In Session 25/26, Park View staff and pupils are focusing on the following:

### **Priority 1- Using data to identify and target support**

#### **Writing**

*Improving writing pedagogy & attainment, using BGE tool and tracking information for early identification of pupils.*

- Teachers will create clear writing plans for each year group (P1-P7), using ideas from Stephen Graham and *Talk for Writing* to support learning.
- Staff will work together to agree on clear examples of high-quality writing for each stage, so pupils understand what successful writing looks like.
- Staff will visit other schools and take part in peer reviews to learn from successful writing approaches.
- Park View Primary will have a strong, well-structured Writing Programme and Policy that reflects best practice and supports high standards in writing.

### **Priority 2- IDL ( Interdisciplinary Learning)**

**Enhancing curriculum through the development of skills and tracking wider achievements and skills.**

- Staff will continue to develop their understanding of how to build important skills into everyday learning, ensuring this aligns with South Lanarkshire Council's curriculum principles.
- Develop a tracking system to ensure a wide range of skills are being developed for our individual learners
- Parents will have more opportunities to hear about and celebrate the skills and achievements pupils are developing across the school.

Pupils will enjoy a wider range of learning

### **Priority 3 - Health & Wellbeing**

**Implementing refreshed whole school Health & Wellbeing curriculum and developing whole school approach to emotional regulation**

- Staff will take part in training to help pupils manage their emotions and promote positive wellbeing across the school.
- All teachers will use the new Park View Health & Wellbeing Planners to support pupils' health and emotional development.
- Programmes like Buddy Training will help pupils, especially in P1 and P7, learn strategies for building friendships and managing emotions.
- Park View will have a refreshed Health & Wellbeing Policy that supports pupils' social and emotional wellbeing and helps parents feel confident supporting their children at home.

Each year, we seek parental views on what our school priorities are, and this helps us shape the following year's priorities. We use Pupil Equity Funding from the Scottish Government to ensure we are creating equity across all of our school community. We have found that the most effective way is to fund another teacher in the school. This allows us to target extra support where needed. Our parents participate in the Participatory Budget process and each year they have voted for us to fund extra school trips to provide a wider range of experiences out with the classroom environment.

### **13. School policies and practical information**

#### **School/Nursery Meals**

##### **Nursery class – if relevant**

All children (over two years old) attending a local authority nursery will be provided with a free lunch. In addition, if your child attends long mornings or afternoons e.g., over 4 hours 30 minutes they will be provided with a 'brunch' or 'afternoon tea'.

Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance.

Nursery age children will also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment.

##### **Primary pupils**

Healthy eating is something that the school supports, and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020

All primary schools run a Breakfast service from 8.15am to 8.45am with pupils being offered a selection of toast, cereal or fruit along with a cup of milk.

For their lunch each day pupils have the option to choose from two hot meal options (one being vegetarian option) plus a sandwich selection. All meals also come with fresh chilled drinking water, salad selection, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime.

Pupils in:

Primary 1 - 5 receive a free school lunch.

Primary 6 - 7 meal cost is £2.62

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

**NB** School Meal prices are reviewed annually and may be subject to change

##### **Adapted diets**

If your child within Nursery, Primary or Secondary requires an adapted diet for medical reasons please speak to the school/nursery office who will provide the request form for you to complete. In addition, if you have a halal or vegan diet request for your child, please speak to the school office who will provide you with a request form.

#### **Free School Meals**

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child:

- Income Support
- Income-based Job Seeker's Allowance
- Income-based Employment and Support Allowance
- Scottish Child Payment (P6 and P7 pupils)
- Support under Part VI of the Immigration and Asylum Act 1999
- Universal Credit (and your earned income is less than £850 as assessed by the Department for Work and Pensions in the assessment period immediately preceding the application for free school meals)

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place to ensure anonymity is protected of children who receive free meals and we encourage all children to remain in school at lunch time.

Further information can be found at [Free school meals - South Lanarkshire Council](#) or by accessing the QR below -

We have a FREE Breakfast Club for all children running from 8.15 – 8.40am, and our soft start starts from 8.40 when children will be allowed to come in to the building.

### **School uniform**

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

There are forms of dress which are unacceptable in all schools such as:  
the wearing of football colours

- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco, or drugs

- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes.
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so.
- footwear that may damage flooring.

### **Allergies**

Many children in our schools have allergies, and it is crucial for parents to keep the school informed about these conditions.

### **Health Care Plans**

- Allergies can manifest at any time with symptoms ranging from mild to severe.
- Children with moderate to severe allergies often have a Health Care Plan from the NHS, detailing symptoms and interventions.
- Parents must share this plan with the school and provide updates as necessary.

### **Mild Symptoms**

- Even without a Health Care Plan, parents should regularly update the school on any new triggers, medications, or actions required.

### **Employee Training**

- School staff need to know your child's symptoms, treatments, and actions required to prevent exposure and minimise the risk of reactions.
- Employees receive training on allergies and will consult with parents and the NHS for any additional specialist training needed.

### **Policy Adherence**

- In supporting children and young people with allergies, school staff will follow South Lanarkshire Council's Safe Systems of Work, risk assessment process, and national guidance on the administration of medicines.

### **Mobile Device Policy**

Our school follows South Lanarkshire Council guidance on mobile device use, which is rooted in Scottish Government policy. Mobile technology can support learning and communication, but it can also disrupt lessons and affect wellbeing if misused. To maintain a safe, respectful, and inclusive learning environment, pupils are expected to use mobile devices responsibly and in line with school rules.

Devices should not be used during class unless specifically permitted for learning purposes.

In Park View, we ask that all mobile phones are left in school bags throughout the whole school day. If children are found with phones, we ask them to hand them in to the school office.

The policy has been developed in consultation with pupils, parents, and staff to balance the benefits of technology with the need to minimise distractions and protect privacy. We ask parents to support this approach by reinforcing responsible use at home and ensuring that devices are used appropriately.

### **Support for parent/carers**

#### **Clothing grant**

In certain circumstances the Council provides support to parents/carers for the purchase of school wear. This also now includes nursery children aged 3 and 4 years old.

Applications can be made online at [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk). Eligibility criteria and online applications can be found online at [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk).  
Or via this link [Clothing grants - South Lanarkshire Council](#)

Should you require further information, or you are unable to submit an application online then please contact the helpline number **0303 123 1011** (option 5).

### **School hours/holiday dates**

Our school day starts at 8.50am until 2.50pm. Our first break is at 10.30am – 10.45am then lunch is at 12.25 – 1.10pm

School holiday dates and in-service dates are available from the website [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk)

### **Transport**

In Park View we have no school buses.

### **School transport**

South Lanarkshire Council's mainstream school transport policy provides transport for primary school pupils who live one mile or more from their catchment primary school by the shortest safe walking route.

More details on school transport can be found at the following link including the online application form:

[https://www.southlanarkshire.gov.uk/info/200186/primary\\_school\\_information/545/school\\_transport](https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/545/school_transport)

If you consider your child to be eligible you should complete the online application form. Forms should be submitted before the end of March for those pupils starting school in August to enable the appropriate arrangements to be made.

A privilege transport scheme is operated on mainstream school contracts where a pupil is not entitled to school transport. Privilege Transport will only be provided where there is a space on an existing school contract and will be from and to designated pick-up and drop-off points. It will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities.

A new application must be made each year.

More details on Privilege school transport may be found here:

[https://www.southlanarkshire.gov.uk/info/200186/primary\\_school\\_information/784/privilege\\_transport\\_to\\_school](https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/784/privilege_transport_to_school)

### **Pick-up points**

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in, and alighting from, the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

### **Insurance for Pupils' Personal Effects**

South Lanarkshire Council has noted an increase in claims for loss or damage to pupils' clothing and personal effects. Please be aware of the Council's insurance policy regarding pupils' personal items:

### **Insurance for Pupils' Personal Belongings**

#### **Personal Items**

- The Council cannot accept responsibility for the loss or theft of personal belongings, including mobile phones, tablets, or other valuables. These are brought to school at the pupil's and parents' own risk.
- To reduce the chance of loss, please avoid sending expensive or unnecessary items to school.
- School staff are not permitted to look after pupils' personal belongings.
- This policy also applies to musical instruments and equipment used for school activities. If these items are left at school, it is at the pupil's and parents' own risk.
- For valuable items such as musical instruments, parents should make sure they are covered by their own household insurance.

#### **Clothing**

- The Council will only consider claims for damage to pupils' clothing if the damage was caused by negligence on the part of the Council or its employees.
- Claims for any other reason cannot be accepted by the Council's insurers.

### **Promoting positive behaviour**

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents, and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

## **Child Protection**

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn on Line Course “Child Protection in Education”.

South Lanarkshire’s children’s services partnership works together to support children, young people, and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and have the opportunity to achieve their full potential. They are committed to continuously improve our services to ensure children, young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are “cared for and protected from abuse and harm in a safe environment in which their rights are respected” (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to: -

- be alert to signs that a child may be experiencing risks to their wellbeing,
- report concerns to the head of establishment or the child protection coordinator without delay.
- be actively engaged in support and protection and development of wellbeing.

If you would like more information, or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee’s website has a range of useful information for parents/carers to help them keep their children safe. [www.childprotectionsouthlanarkshire.org.uk](http://www.childprotectionsouthlanarkshire.org.uk)

## **Our Commitment to Children’s Rights**

In line with the United Nations Convention on the Rights of the Child (UNCRC), our school is committed to respecting and promoting every child’s rights. We believe that children have the right to express their views on matters that affect them, and we will actively listen and take these views into account when making decisions.

To achieve this, we will:

- Create opportunities for pupils to share their opinions through class discussions, pupil councils, and consultation activities.
- Ensure that decisions about school policies and practices consider the voice of the child.
- Promote an inclusive, rights-respecting environment where every child feels valued and heard.

This approach supports our aim to empower learners, strengthen partnerships with families, and uphold equality and participation for all.

## **General Data Protection Regulation as supplemented by the Data Protection Act 2018 (GDPR)**

Information on pupils, parents and guardians is held by the school to enable the teaching, registration, and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the GDPR, with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its school.

Education Resources has also prepared a privacy notice (below) which sets out how we will deal with personal information as part of our statutory function as an education authority. For more information, please contact the school.

## **Privacy Notice**

### **Introduction**

In line with the General Data Protection Regulation (GDPR) we have produced this privacy notice to inform you how we deal with personal information as part of our statutory function as an education authority.

The Council has a legal obligation to deliver effective education services to children, young people, and adult learners in South Lanarkshire. In order to do this, we need to collect personal information about children, young people, and their families so that we can help them to learn and keep them safe.

### **Using your personal information**

The Council is a “controller” of the personal information you provide when enrolling for a nursery or school, applying for an education service, or participating in groups or activities provided by Education Resources.

### **Information we collect from you about you and your child at enrolment.**

When you enrol for a nursery or school, we ask for the following information:

parent/carer contact details (name, address, phone, email).

the child’s name, date of birth, gender, and address.

information about medical conditions, additional support needs, religion, and ethnicity.

any information you may wish to provide about family circumstances.

### **Information we collect at other times.**

We will also collect information at other times such as when you apply for a benefit, request a service or other support. We will provide an additional privacy notice at these times.

If you apply for an education service or benefit, such as school transport, free school meals, clothing grant, placing request or EMA, we will also ask for personal information as set out above. We will also ask for information about your income for education benefits applications.

If you make a request for additional support such as an educational psychologist or other support for learning, we will ask for more detailed information to allow us to provide the most appropriate support for your family. This may include information about family circumstances or medical conditions.

If there are concerns about your child’s wellbeing and/or your child has needs that may require additional support, we will wish to work with you to collect and consider information to enable us to help you get the right support at the right time in line with the Getting it right for every child approach.

We require this information to ensure that children and young people are educated appropriately, supported, and that we take account of their health and wellbeing. We will also ask you to update this information annually and to tell us when there are changes to your details.

### **Information that we collect from other sources.**

As an education authority and as part of our statutory function in accordance with our legal obligations, we receive information from other sources such as the SQA, the NHS or Social Work about you or your child, this includes:

exam results and assessment information.  
information about health, wellbeing, or child protection.

### **Why do we need this information?**

We need this information so the Council can ensure it is delivering education services appropriately to all learners:

for the education of children, young people and adult learners;  
for teaching, enrolment, and assessment purposes and to monitor the educational progress of children, young people and adult learners;  
to keep children and young people safe and provide guidance services in school;  
to identify where additional support is needed to help children, young people and adult learners with their learning;  
to maintain records of attendance, absence and behaviour of children and young people (including exclusions);  
to support children and young people moving on each year from nursery to primary, primary to secondary and when they move or leave school;  
to help us develop and improve education services provided for young people, adult learners, or families

In accordance with our legitimate interests as an education authority we will also use your information to create statistical reports.

### **We will share your information with:**

As an education authority and as part of our statutory function in accordance with our legal obligations we will share information with other bodies or parts of the Council, including:

The Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland, and other organisations that support children and young people's learning.

Other parts of the Council when required for services such as school meals, school transport, education benefits and with Social Work in connection with any child protection concerns we become aware of.

The NHS, to support health initiatives in accordance with the legal obligation on the Council in terms of section 39(3) of the National Health Service (Scotland) Act 1978.

South Lanarkshire Leisure and Culture Limited, where children and young people are participating in sports and leisure activities.

Other schools/local authorities – if a child moves or transfers to another school the Council has an obligation to pass on information with regards to pupil records to the new school/local authority.

You have the right to access your personal information as well as the rights of rectification, erasure, restriction, and the right to object. For information on these rights and how to exercise them or for information about how we manage your personal information, you can get a copy of our full privacy notice from our website:

([https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general\\_privacy](https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general_privacy)).

Our full privacy notice will also provide information on how to make a complaint or to request a paper copy of the privacy notice from the Data Protection Officer.

### **The Freedom of Information (Scotland) Act 2002**

The Freedom of Information (Scotland) Act 2002 came into force on 1 January 2005 and gives a person the right to request information held by Scottish public authorities.

The act refers to information held in a 'recordable' format and relates to information held within documents, not the documents themselves.

Parents wishing to make a request for information under the terms of the Freedom of Information (Scotland) Act 2002 should submit their request in writing to:

Freedom of Information Officer  
Education Resources  
South Lanarkshire Council  
Council Offices, Almada Street,  
Hamilton, ML3 0AA

Or email: [foi.request@southlanarkshire.gov.uk](mailto:foi.request@southlanarkshire.gov.uk)
